JSPS Excellent Research Presentation Award Judging Criteria

Established on October , 2025

Judges

JSPS President (Judge Chair), JSPS Vice President, JSPS Annual President and JSPS Next Annual President

Judging Criteria

◆ STEP 1: Judging of Abstract

The following three items will be judged as judging criteria.

- ① **"Novelty"**: Novel and attractive research
- ② **"Logic"**: Based on a clear research objective, the research is planned and executed, and the obtained results are appropriately considered
- ③ **"Contribution to Safety Pharmacology Research"**: Research that leads to the development of "safety pharmacology" research from a broad perspective, from basic research to regulatory science

□

◆ STEP 2 Judging at the time of poster presentation

The following two items will be added to the same judging criteria (three items) as STEP 1 for a total of five items.

- ① **"Presentation skills"**: Easy-to-understand poster structure, and appropriate explanation of the experimental methods and discussion, etc.
- ② **"Q and A skills"**: Whether the questions were answered appropriately, etc.

Decision on the winner of the Outstanding Research Presentation Award

The final decision will be made by the judges after deliberation among the high-scoring applicants in STEP 1 and STEP 2.
